TECHNICAL SKILLS

Languages: JavaScript, HTML, CSS, SQL
Frameworks and tools: React, Node.js, Express, PostgreSQL, Git, GitHub, Postman
Soft skills: Teamwork under pressure, time management, training new staff

EXPERIENCE

Sous Chef, *Bayfront Grill* **Mar 2018 - Jan 2025**

- Ran the kitchen line for 200 covers a night and trained 15 cooks.
- Managed inventory and ordering for a $40k monthly food budget; cut waste by 18%.
- Wrote recipe cards and prep checklists that new hires used on day one.

Line Cook, *Harbor House Seafood* **Jun 2014 - Feb 2018**

- Prepared food for a high-volume restaurant and met strict food safety standards.

PROJECTS

Recipe Share *(React, Node.js, Express, PostgreSQL)*

- Full-stack app where users save and share recipes; JWT authentication and image upload.

Kitchen Prep Planner *(JavaScript, REST API)*

- Prep list tool for restaurant teams with daily task assignment.

EDUCATION

Full-Stack Web Development Certificate, Coastline Code Academy (2025)

CERTIFICATIONS

- ServSafe Food Protection Manager
